

# 2023 International Conference on Investment Management And Talent Development in Southeast and South Asia Countries (ICIMTD)

## CALL FOR PAPERS

**DATE:** JUNE 1st - JUNE 4th, 2023

**Venue:** Nanhua University, Taiwan

**Theme:** Achieving excellence through investment management and talent development in Southeast and South Asia Regions

**Organizer:** College of Management, Nanhua University, Taiwan

Southeast and South Asia regions are home to diverse cultures, religions, and languages. Southeast Asia and South Asia are crucial in shaping the global economic, political, and social landscape. With rapidly growing economies, these regions play a vital role in international trade and commerce.

Moreover, these regions face significant challenges such as poverty, political instability, and natural disasters. Therefore, it is essential to identify innovative solutions to these challenges, and this conference will serve as a platform for experts to exchange ideas and insights. Together, we can build a better future for these regions and create a more prosperous and inclusive world.

### ***About the conference:***

The aim of the *International Conference on Investment Management and Talent Development* is to provide a platform for academics and professionals to share their experience and knowledge for issues of economic development, international management, operational finance, supply chain, management, international trade, human resource management, and entrepreneurial leadership in Taiwan, Southeast Asia, and South Asian countries.

We welcome all the researchers or students to present their research papers to everyone interested in knowing more in-depth knowledge about the specific topics. The conference covers a broad range of topics related to economic development, investment management, and talent development. Papers present at the conference may be considered for publication in *Management Science Research* and other relevant journals after a preliminary check of the conference members and an official double-blind peer-reviewed process. This international conference will focus on, but not be limited to the following topics,

## **Topics:**

- The Investment Environment Analysis of the Taiwan, Southeast, and South Asian Countries
