Step 4. Copy the Survey Link

After entering the page, you will see instructions.

Copy the survey link provided on the page.

2026 First-Year University Student Adaptation Questionnaire

Dear Student,

Thank you for taking the time to fill out this questionnaire. We hope that your perspective will provide insights into how students adapt after enrollment. You are invited to participate in the 2026 First-Year University Student Adaptation Questionnaire.

All information you provide will be treated anonymously and used solely for academic research purposes. No personally identifiable information will be collected, and neither school administrators nor other data users will be able to identify you. Please feel assured when responding.

Please note that you will be directed to an external survey platform when you begin the questionnaire. This is a standard procedure, and your responses will remain anonymous and secure. Please feel free to proceed with confidence.

The questionnaire will take approximately 10 minutes to complete. Your learning experiences are highly valuable for improving the university's development and student support. Please answer based on your actual experiences and honest feelings.

Thank you for your cooperation and support.

Sincerely,
Office of Research and Development
Shih Chien University

Reminder · Please copy the survey link before proceeding.

Fill out the questionnaire completely.

Submit your responses.

2026 First-Year University Student Adaptation Questionnaire

Dear Student:

Thank you for taking the time to fill out this questionnaire. We hope that your perspective will provide insights on how students are adapting after their enrollment, which is why you have been invited to participate in 2026 First-Year University Student Adaptation Questionnaire. Any information you provide will be treated anonymously and be used for the sole purpose of academic research. School administrators and others who access this data will not know of your identity, so please answer without worries.

The questionnaire will take approximately 10 minutes to complete. Your learning experiences will be significant for improving this university's affairs, so please answer according to your experiences and feelings. Thank you for your cooperation and support.

Sincerely,
Office of Research and Development, Shih Chien University
